

EM-VAL-I thin

Powerfull Industrial PC

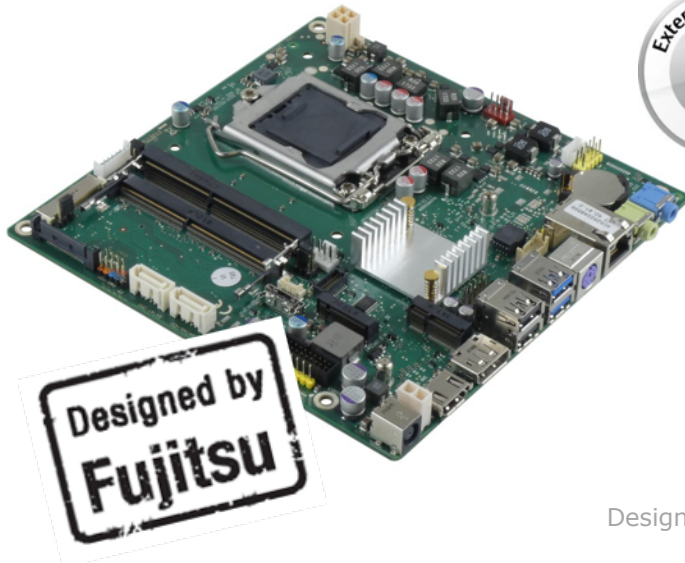

Specification

Chassis	Dimensions (W x L x H): 192 x 203 x 45mm
	Colour: silver / black / on request (min. 20 pcs)
	Material: galvanized pre-coated metal sheet
	Weight aprx.: 350g
	MB: 170 x 170mm, mini-ITX form factor (Kontron D3674-B)
	Integrated I/O shield
Front panel	Power button with LED backlight
	2x USB 3.1 Gen1, 2x HD Audio
Rear panel	DC-IN (19-24V), 1xHDMI, 1xDP, 2xUSB 2.0, 2xUSB 3.1, 1xPS/2, 1xLAN
Mounting options	wall mount (pair included)
	VESA holder
	other customization: (min. 20 pcs)

All product specifications are subject to change without notice.

Mainboard

D3674-B mini-ITX

Designed and approved for 24/7 continuous operation @ 50°C

Supported Memory	2x DDR4 2666/2400 SDRAM (SO-DIMM)
CPU options	Intel® Core™ i7 / i5 / i3 – (8th gen.) processor series Intel® Core™ i9 / i7 / i5 / i3 (9th gen.) processor series
	Intel® Pentium® / Intel® Celeron® processor series
	Intel® H310 Express Chipset, Socket LGA1151–up to 35W TDP
I/O Interface	Intel® HD Graphics (depends on installed processor), DX12
	1x DisplayPort V1.2, 1x HDMI V1.4, Dual Channel LVDS support
	Front/rear Audio Realtek ALC671 HDAC
	4x USB 2.0 (2x opt.), 4x USB 3.1 Gen1 (2x opt.) 1x COM1 RS232 (optional), 1x PS/2 keyb, 1x GLAN
	2x SATA III - 6Gbs
	M.2 2280 for PCIe based SSD NVMe
	M.2 2230 for PCIe WLAN/Bluetooth module
Product features	GbE LAN onboard (Realtek RTL8111E)
	External DC Input 19-24V
	Silent Fan / System Guard / cTDP
	Wake-on-LAN (WoL) HW Watchdog onboard / TPM V2.0
